

PALM BEACH COUNTY SEMINOLE CLUB SCHOLARSHIP

The Palm Beach County Seminole Club awards two \$1,500 scholarships each year to a graduate of Palm Beach State College, who is entering either their junior or senior year at Florida State University.

The two scholarships this year went to Christopher Collins and Anna Sheffield. Both were extremely deserving and thankful for the assistance. Attached are their two letters to the Club acknowledging their award. Please take a minute to read them.

The money for these scholarships comes from your support of our Club and your participation in the raffles and other fund raisers we hold. The Club and these students appreciate what you do!

The scholarship application appears on our website – pbnoles.com – each year in March. The Club also obtains a list of all PBSC graduates who have been accepted at Florida State and sends them an application in March. If you know students who might be eligible, have them check the site next spring.

Thanks again and GO NOLES!

Palm Beach County Seminole Club:

Words cannot even begin to describe the joy I felt when I discovered that I was one of the two recipients of your "Florida State University transfer scholarships!" As an only child whose parents are both deceased, you can imagine I've never been given much; however, your kind heart and generosity are enabling me to attend my number one choice, Florida State University. This scholarship means more to me than I can ever express in the form of a letter. If my parents were alive, I know they would be so proud of me. I want to genuinely thank you for your aid and assistance that will no doubt help to further my educational goals and aspirations.

Thank you again for helping to make my far off dreams more of a reality. It is solely because of people like you, that I can remain positive in the darkest of times. This scholarship means the world to me.

Warmest Regards,

Christopher Collins
